Asian Venture Philanthropy Network (AVPN)

PLEASE INTRODUCE YOUR ORGANISATION.

AVPN is the world's largest network of Social Investors active in Asia, with over 600+ diverse members across 33 markets. AVPN enables collaborations between policy makers, family offices, foundations and the private sector to increase the impact and flow of capital deployed towards closing SDG gaps in Asia.

HOW DO THE VALUES, VISION AND MISSION OF SVI ALIGN WITH YOUR ORGANISATION'S WORK AND PURPOSE?

AVPN and SVI promote social impact and sustainable development through their global networks. Another strong common thread is our emphasis on trust-based and transformational collaborations that we believe are key to a thriving future. Both networks support each other to achieve this shared goal.

WHY IS PARTNERSHIP AND COLLABORATION IMPORTANT TO YOUR NETWORK, AND WHAT DO YOU HOPE TO ACHIEVE THROUGH OUR PARTNERSHIP?

AVPN believes that trust-based collaborations are crucial to increase the flow of financial, human, and intellectual capital from around the world into the social sector in Asia. With such partnerships, we break down silos, develop trust, share knowledge and strengthen our network to catalyse greater impact.
